HOW TO BECOME A VOLUNTEER

Your time is a gift to hungry kids, seniors and others who don't have enough food to eat. The Second Harvest Food Bank of Northwest Pennsylvania volunteers help sort, process and pack food... and it's a fun experience.

There are many volunteer opportunities available at Second Harvest. We work with individuals, schools, businesses and religious groups, just to name a few.

Please watch our brief video below for more information on how you can get involved and become a Second Harvest volunteer.
